My dear Sir

I send you a  
"par," which you may or may  
not like to insert.

I was not at  
the Antiquaries last  
week: my modesty kept  
me away, as on that night  
I was to be made a  
Vice President, as you  
J. K. Hervey Esq.

very handsomely announced. I thank you.

Yours very sincerely  
J. Paspe follier
